

GI10 TDP/TLS Tyre Inflating Equipment

GI10 TDP

GI10 TDP

- pressure gauge with case
- inflation head with rigid extension assembly on hose TDP
- total weight: 710 g
- air joint G1/4 " M
- hose length with TDP head 830 mm

GI10 TLS

- Lever inflation head assembly on hose TLS
- hose length with TLS head 530 mm
- total weight: 590 g

High precision pressure gauge according to E.C. regulations

- reading scale from 0 to 10 bar
- reading precision $\pm 1\%$ up to 4 bar
